

Competitor Check In and Fire Marshal Requirements

All items must be checked and form must be signed prior to pulling vehicle in convention center.

- NO more than ¼ tank of Gas (*Vehicles with more than 1/4 tank of fuel will not be allowed inside of the facility.*)
- Locking Gas Cap or Duct Tape to seal your gas cap.
- Drip Pan - All competitors must have a commercially available drip pan.
- Armor-All or similar products may NOT be used inside of the facility.
- Power tools (with the exception of cordless drills) may NOT be used inside of the facility.
- Competitors may only run their vehicle while in the judging lanes. You may not run your vehicle in your pit stall or while waiting in the staging lanes.
- All vehicles may be required to be pushed to and from the judging lanes, pending fire marshal and facility requirements. Please abide by judges instructions.
- Make sure that you don't have ANY fuel leaking out of your vehicle. Any vehicle that is found to be leaking fuel may be removed from the facility.
- Please refrain from foul language or music that includes foul language as children may be present.

Policy Regarding Facility Damage

Competitors will be held accountable for any damage that they cause at the event. Each competitor is responsible for his or her assigned pit stall. Please inspect your pit stall carefully prior to moving in to the facility. If there is existing damage, it must be reported in writing to the registration desk prior to occupying the pit stall. By participating in the event, the competitor agrees to pay for any and all damages caused by the competitor or due to the competitor's actions. Payment for damages will be required prior to the conclusion of the event.

The undersigned agrees to the terms listed above and does hereby release and hold harmless the Car Audio Championship, dBDR - dB Drag Racing Association, IASCA - International Auto Sound Challenge Association, MECA - Mobile Electronics Competition Association, its management, sponsors, and exhibitors from any and all liability and / or damages sustained by the competitor or others including, but not limited to, personal injury, damages to motor vehicles, equipment, or other personal property during the competitor's participation in the Car Audio Championship event.
